NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL PERIOD ENDED 31 AUGUST 2008**

Additional information required by the BMSB's Listing Requirements

1 Review of performance

The revenue recorded in Q2 2009 decreased by 8% to RM31,963 million as compared to Q2 2008. Correspondingly, the profit before tax dropped by 56% to RM1.992 million. Reasons for this include material price hikes, a deliberate delay in project launches and increased provisions for projects under construction in anticipation of the confidence crisis affecting financial institutions.

2 Variance of results against preceding quarter

The Group's turnover for the current quarter decreased by 13% to RM31,963 million as compared with RM36.946 million recorded in the preceding quarter. Profit before tax dipped by 28% to RM1.992 million. The US credit crunch which led to the shock collapse of several financial institutions severely undermined confidence despite the proliferation of fiscal guarantees. As a result, most people are adopting a wait-and-see attitude and putting purchases on hold.

3 Current year / future prospects

The coming year is expected to be uncertain for the industry. Although governments in most countries have intervened to restore confidence in the financial institutions, the results remain to be seen. Currently, due to the uncertainty in the financial and job market, consumers are holding back. We will monitor the situation before embarking on major launches.

4 Profit forecast

This is not applicable as no profit forecast was published.

The higher effective tax rate as compared to the statutory tax rate of 25% for the current year to date and preceding year to date is mainly due to the unavailability of group relief losses incurred by certain subsidiaries and disallowing of certain expenses for taxation purposes.

6 Purchase or disposal of unquoted investments and properties

There was no sale of unquoted investments and properties of the Group for the current quarter under review and financial year to date.

7 Purchase or disposal of quoted investments and properties

There was no sale of quoted investments and properties of the Group for the current quarter under review and financial year to date.
